VERSION: 1.0.

REPORT OF STAKEHOLDERS' TOWN HALL MEETING ON CITIZENS ENGAGEMENT ON THE STATE BUDGETING PROCESS HELD AT THE NORTHERN SENATORIAL ZONE OF THE STATE.

NORTHERN ZONE ON THE 29TH OF OCTOBER, 2018

1.0 ATTENDANCE

The meeting was attended by stakeholders from Barkin Ladi, Bassa, Jos East, Jos North, Jos South and Riyom local governments that made up the zone with secretariat staff and press men present.

1.1 OPENING PRAYER

The meeting started with a word of prayer by Pastor Sunday Ngong at about 12:20pm.

1.2 WELCOMING ADDRESS.

The welcoming address was delivered by the Director of Budget who in his remark appreciated members for their turn up and said that the ministry finds it very important for stakeholders to be part of the 2019 budget process which is the first of its kind. The Director advanced that the objective of the meeting was to enlighten citizens on how the budget was been prepared taken cognizant of the revenue and expenditure pattern. Other reasons mentioned were openness and easy access to budget document.

1.3 SPEECH BY THE HON. COMMISSIONER MINISTRY OF BUDGET AND ECONOMIC PLANNING.

The Hon. Commissioner while delivering his speech appreciated the stakeholders and stressed that the rationale behind the meeting was to strengthen transparency and accountability in governance reflecting the five pillar policy thrust of this administration.

The commissioner also informed stakeholders that the governor has demonstrated continuity in governance by completing ongoing projects inherited from the past administration and the awarding of new ones. He called on all to participate actively in the discussion.

1.4 GOODWILL MESSAGES

The goodwill messages came from the representative of the Chairmen of Bassa and Jos East Local Government Councils whom in their separate remarks commended the Ministry for the new idea and pledge to emulate same but however said they have some challenges in their various local government.

2.0 PRESENTATION OF MEDIUM TERM EXPENDITURE FRAMEWORK (MTEF)

The Director of planning of the Ministry while presenting the MTEF submitted that the MTEF is a federal government policy which states government are expected to key into and demands that government programs be prepared for three (3) years but subject to review when need arises. This he said was to show transparency and accountability in governance. Other things enumerated were to measure performance of budget, check inflation and find solution etc.

2.1 PRESENTATION OF BUDGET DRAFT

The 2019 budget draft was presented by the Director of Budget on screen where stakeholders could see and were expected to analyze, contribute and advise where necessary.

In his presentation, the Director said all ongoing projects and new ones so far identified were captured in the draft but stakeholders can make their inputs for consideration.

3.0 CONTRIBUTIONS BY STAKEHOLDERS

The stakeholders while contributing commended the governor through the ministry for the initiation and submitted that;

- i. If they had met with their House of Assembly Members there wouldn't have been duplication of projects.
- ii. Community tax be reintroduced while animal tax (Jangali) be reinforced.
